

Melbourne Green Drinks with Dr Detroit!

Thursday 12th July 2007
6pm till Late! Free Entry.

Loop Bar - 23 Meyers Place
Melbourne 3000 VIC.
www.looponline.com.au

Melbourne Green Drinks is a multi-disciplinary social event for those who work in the environmental, sustainable and regenerative related fields and is a fantastic opportunity to network with like minded people. We also welcome interested and innovative minds from all disciplines who would like to get together and open channels for communication and innovation.

For the first time Melbourne Green Drinks will be a gathering of the traditional EnviroDrinks group, the Society for Sustainability & Environmental Engineering - SSEE, o2 Australia - part of the o2 Global Network Foundation, www.o2.org and the Society for Responsible Design - SRD, and the launch of o2 Victoria.

Green Drinks will be an Audio-Visual delight, with digital projection topics including, SSEE presentations, Biomimicry, Eco-Emotional Design, Sustainable Design in India and environmental soundscapes. Local Jazz masters 'Dr Detroit' will soothe and give the night away with a fusion of Funk and Jazz.
